From the Minister

I love Children's Sunday. It is always overflowing with energy, activity and smiling faces on the children and all those sitting in the congregation. This year's Children's Sunday on June 12 will be even more overflowing than usual. We are planning to begin the worship service with four baptisms! We will be baptizing Leah Albrecht, daughter of new member Abby Albrecht and her husband, Kevin. We will be baptizing Leah's cousin, Isabella Hill, a member of our Sunday School. We will be baptizing Lily Karber, daughter of new members Rich and Teresea Karber. We will be baptizing Tessa Tyler, daughter of Debra and Daniel Tyler, granddaughter of Bob and Evelyn Burley. Not only will we be overflowing with beautiful little girls, we will be overflowing with proud parents and grandparents.

That's just the beginning of the excitement that day. After the baptisms, the children of our church will be showing us what they have been up to all year in Sunday School by giving us highlights of their workshops and lessons, singing a song based on the Lord's Prayer and performing on their musical instruments. The children will be leading the liturgy, reading the scripture, ushering and collecting the offering.

But wait, there's more! Just like in those late-night TV commercials that are trying to get you to buy some treasure, the announcer jumps in with one more enticing added bonus to close the deal. The "But wait, there's more!" of Children's Sunday is a wonderful picnic after church out on the church lawn including hamburgers, hotdogs, drinks plus all the side dishes or desserts the congregation wants to bring.

The entire morning will be a feast of the senses not to miss, so plan on attending and invite your friends and neighbors (and definitely grandparents!).

One of the things that is so exciting about our church is that there are so many good things happening that just when you think we are done, "But wait, there's more!" On June 6 we will be celebrating communion and honoring our choir with a thank-you reception. During June we have not one, but two missions of the month - Roses for Autism on June 11 and Cookie Platoon for our troops in Iraq and Afghanistan on June 18. The last week of June will be our wildly popular PandaMania Vacation Bible School and a quiet, outdoor labyrinth walk on Tuesday evening, June 28 for all to enjoy.

The Congregational Church in Killingworth, UCC is definitely a church of, "But wait, there's more!"

This is a good thing, because the faith that Jesus modeled for us is clearly one of going the extra mile, of reaching out to folks that others might walk by, of giving not just what would be expected but much more, and of loving unconditionally even those we might want to hate.

It is certainly more poetic than any late-night TV announcer, when we are told in John 1:16, "From his fullness we have all received, grace upon grace." When we are feeling God's grace and act upon that grace, we can know that - but wait, there's more grace to be felt.

If you have felt the grace of worship, community, prayer, mission, teaching and fellowship of our church, there is only one thing left to say,

"But wait, there's more!"

Martha

Once again it is time for the much anticipated event for our children, “Children’s Sunday”, which will be held on **June 12th**. This service is the culmination of all of their hard work this year as they studied Bible stories through the “Good News” workshops. “Children’s Sunday” will be their opportunity to share a sampling of what they learned with the congregation by leading the service from start to finish. In addition, there will be special music and instrumentals performed, bookmarkers printed with The Lord’s Prayer presented, bibles given to our third graders and scholarship awards to the graduating seniors.

Additionally, Children’s Sunday will include the announcement of the final amount the children have raised for “*A Soldier’s Child Birthday Foundation*” mission of which they are so proud to have a part of this year. As the children grades 1 through 6 have been studying the book of Ruth workshop this past month, they have learned how important it is to love and care for one another and to live their lives in service and giving to others. This mission has been a shining example of that and we wish to thank all of you who have supported the children’s mission by donating to *A Soldier’s Child Birthday Foundation*.

Following the worship service, everyone is invited to a picnic in the back yard. The Christian Education Committee will be providing drinks, hamburgers, and hotdogs. Please feel free to bring a side dish to share.

Vacation Bible School is scheduled the week of June 27 – July 1 and if you have not registered your child (4 years old – 6th grade), please do so as soon as possible to enable the CE committee to plan accordingly. This year promises to be another exciting, fun-filled week packed with God’s love, new friendships, singing, music, workshops, crafts, games and yummy treats all guaranteed to create “PandaMania”!

Sunday school during the months of July and August will be provided in a multi-age group format. Please let the CE committee know if you would like to teach one of these classes this summer.

It has been an exciting and busy year for our children and they have come through it with success and pride in what they have learned. We are very blessed to have all of the volunteers who have given of their time, efforts and tremendous commitment throughout the year for all of the wonderful workshops in art, science, cooking, storytelling, singing and prayer. They make it all happen for our children! Our collective sincere thanks and prayer go to Reverend Martha for guiding us and teaching us how to do our best every week on behalf of our children.

June 12, 2011–Children’s Sunday and Picnic

On Sunday, June 12, we will celebrate Children's Sunday which will include prayers, songs, and lessons that were taught during the past year. The Sunday School classes will lead the worship service, the third graders will receive Bibles, and Scholarships will be presented to our graduating high school seniors. Following the service, everyone is invited to gather outside on the lawn for a picnic. Hot dogs, hamburgers, and drinks will be provided by the Christian Education Committee. Please bring a side dish or dessert to share. Thank you!

Calling All Young Instrumentalists (Any Skill Level)

Wouldn't you like to play for Children's Sunday?

Please contact Rev. Martha or Deb Fredericksen.

Infant and Toddler Room Staffing

Erin Fredericksen, one of our very able teenagers, will be the lead staff person in the nursery. She will be joined each week by either a parent or other adult helper. We have posted a volunteer sign-up sheet, along with the safe-church policy forms to be filled out, in the Parish Hall. We are hoping that parents will take a turn periodically, but are also looking for other adult helpers. Wouldn't you like to spend some time in the company of our youngest (and cutest!) folks? With a fully staffed nursery, parents can leave their children there for some or all of the time. Parents may feel free to come and go from the sanctuary worship service as you or your children need.

Scholarship Recipients

Please be sure to join us on June 12th for Children's Sunday where we will proudly award scholarships to two church members: **Nick Uilhein**, who is getting ready to graduate from high school and will attend Roger Williams University. **Cassandra Sodergren**, who will attend Assumption College as a sophomore this fall.

Labyrinth Walk

Tuesday, June 28 at 7 p.m.

Whether you are an experienced labyrinth walker or have no idea what this walking in circles is all about, come join us for some information, time of reflection and walking our beautiful outdoor labyrinth. This ancient practice of walking prayer is easy, relaxing and opens us to a closer relationship with God. We will begin in the Parish Hall and then move outdoors. If the weather is too bad, we will stay indoors the whole time. This adult education program is a great way to introduce friends and neighbors to our church, or a great way for you to introduce yourself to a new faith practice! Come join us.

Congratulations to Allyson Glass

Allyson Glass has been selected to be the Seminary Intern at the Deep River Congregational Church, UCC for the academic year 2011-2012. Being an intern is part of the field education program at Andover Newton Theological School, where Ally is on track to graduate in May, 2012. She will still be "in care" with our church (though the official name is now, "member in discernment"). In the fall she will begin spending her Sundays over in Deep River. In addition, the Deacons at our church are forming a small committee to support Ally throughout her journey. We are so pleased to walk this next step with Ally and know that the folks in Deep River will appreciate her ministry among them.

Thank you to all who have donated to *A Soldier's Child Birthday Foundation* to date. The children have set a challenging goal and have been giving all of their weekly offerings to this mission. They are slowly gaining momentum – but they could use a little help! Your donation's would be very much appreciated and contribute to a wonderful organization that supports the children of our fallen heroes. Feel free to reach out to any of our Sunday school children, CE teachers or fill the display box in the Parish Hall by June 5th with your thoughtful contribution to help them reach their goal.

June Mission of the Month: Roses For Autism

Saturday, June 11th— 10-12 a.m. and/or 1-3 p.m.

On Saturday, June 11 we will be going to Guilford to Pinchbeck Farms which is now Roses For Autism, a non-profit that employs those with autism and sells the flowers as fundraising for the project. We will be working in a greenhouse, so all should bring gloves, closed-toed shoes and wear clothing for hot weather. This project is open to all, including families with school-age children. There will be a sign-up sheet on the board in the Parish Hall. If you have questions, see Rev. Martha or Cailey Anderson. This will be a worthwhile hands-on activity for the whole congregation.

New Step Ladder for the Kitchen

Thank you to the Board of Deacons who voted to purchase from their budget a folding step ladder for use in our church kitchen. The Deacons hope that no one will now need to use a chair to climb up on the counters to reach for any item. This will keep everyone who uses the kitchen safe and our counters clean. The step ladder will be kept to the left of our new refrigerator. We ask that it not be removed from the kitchen area as it needs to be available at all times for use in the kitchen. Thank you, Deacons, for adding to the safety of everyone.

Learn how to make Decorative Bows

We will be making decorative bows for the Christmas Fair on June 7^h at 5pm-7pm. Please come for fellowship and learn how to make some of the beautiful bows that you see on many decorative items. Please bring with you a pair of scissors and any left over Christmas ribbon that you would like to donate. Mission Committee.

The Cookie Platoon, Saturday, June 18th

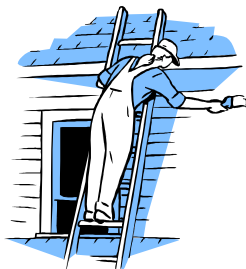

The Connecticut Cookie Platoon sends homemade cookies to our troops overseas. Each soldier receives a container of five boxes of cookies containing approximately a dozen cookies of different varieties. Cookies should be homemade and approximately 2 inches in diameter. Each container costs \$7.00 to ship to one of our soldiers, therefore donations to help defray the shipping costs are always welcome. Please consider baking, joining in the fun of packing, and/or donating to help defray the costs. Saturday morning packing begins around 9 and is usually finished around 11 (come and go as you need). You can drop your cookies off at Whelen Engineering on June 18th from 9 to 9:30 or drop them at the Church on Friday, June 17th during church hours. We can arrange a pick-up on Friday if you can't make either of those times. It is a wonderful, heartfelt way to let our soldiers know that we appreciate all that they do. Visit www.cookieplatoon.com. Please contact Karen Gagliardi (860-663-3866) or Andrea O'Boyle (860-663-2281) if you have any questions.

PARSONAGE PAINTING PROJECT

At our May 15, 2011 Spring Meeting, the Congregation voted unanimously to raise and spend \$15,000 for restoration work to the exterior of the parsonage with the intention to begin work on July 1, 2011. The need for this work is evident to anyone who sees the parsonage. A committee has been formed to raise funds for this long overdue project through a mini-capital campaign. The members of this committee are Charlie Smith, Ginny Chapman and Rob Rimmer. In the coming weeks you will be contacted by these folks and asked to make a contribution to this restoration project. Please be generous with your pledge.

It Feels Just Like Home

We love it when visitors tell us our church is so welcoming that it feels like home. So it was with great pleasure that we welcomed a family of robins nesting with 6 blue eggs under our new deck. We may need to “re-bless” it with a new name - The Men’s Group Deck and Bird Birthing Center!

The Green Ministry (Christians Caring for Creation)

By Marilyn Carlson Campbell

“When you garden organically, you learn about the diverse and amazing ecosystem of which humans are just a tiny part. The deeper one digs, the more in awe one becomes of this magnificent creation.” Nancy De-Brule Clemente

What is organic gardening? The U.S. Department of Agriculture describes it as “...a system which avoids or largely excludes the use of synthetically compounded fertilizers and pesticides...and relies upon... animal manures, mineral bearing rocks and aspects of biological pest control to maintain soil productivity and tilth, to supply plant nutrients, and to control insects, weeds and other pests.”

Successful organic gardening begins with healthy soil. By testing your soil you can learn what amendments might e needed. A free test is available to the UConn Extension Center in Haddam.

- It is recommended that organic matter be added to the soil periodically. Compost is an important organic amendment because it provides nutrients and minerals. It contains living microorganisms which break down this organic matter to feed the plants, and it loosens the soil and increases water-holding capacity
- Rock phosphate and green sand are important amendments that slowly release and thus provide long lasting benefits to the plants.
- Granular organic fertilizers such as Pro Gro, Pro Start, and Plant Tone are beneficial additions that can also be worked into the soil.

Fish and seaweed fertilizers provide excellent foliar and soil feeding throughout the growing seasons.

A word about synthetic fertilizers:

Synthetic fertilizers simply feed the plant. Organic amendments slowly release and feed the soil microorganisms which in turn feed the plants. If the soil is not organically enriched and the plants are dependent on synthetic fertilizers, one must frequently add these fertilizers which are quickly used by the plants while any excess washes away!

Organic Control of Pests and Diseases:

- Cultural- Starts with organic soil building. A healthy plant attracts fewer insect pests and is more disease resistant.
- Biological- Encourage and protect beneficial insects by avoiding synthetic sprays which can kill these natural predators.
- Physical- Use barriers, traps, and hand pick, if possible
- Chemical- Organically acceptable products made from minerals and plant products used sparingly and carefully can be a last resort.

By following these recommendations, you will echo the natural balance God created.

Working Hard!

Thanks to the Trustees for the brand new roof that was put over the pulpit area in anticipation of repairing some of the water damage in the front of the sanctuary. Thanks to the Men's Group for the repairs that are being done to the ramp of the Old Town Hall. Thanks to the Trustees and all those who organized or participated in any of the fundraising events in the Old Town Hall which allowed us to paint the walls and ceilings. Check out all these good projects - there's been a lot of hard work around here!
